2GEN: Uniting Families With Education

**Are you a parent or guardian who has not obtained a high school diploma or equivalency?
Do you have a child aged 16-21 who is at risk of delayed high school graduation?**

2GEN at Cuyahoga Community College (Tri-C®) offers personal and academic support to help adults and their teen children earn a high school diploma or equivalent and an in-demand workforce credential.

- Vouchers to help support your family
- Guidance to keep you and your family on track
- Coaching, mentoring and tutoring to help with academic progress

TO GET STARTED:

1. Register for Ohio Options Orientation
2. Express your interest in joining 2GEN
3. Meet with a 2GEN staff member

Complete all 2GEN activities to receive a diploma or equivalency and an in-demand workforce credential so that both you and your child can earn family-sustaining wages.
