### **Emergency Communication with Parents**

The District's Emergency Management Plan requires that notice of the emergency communications system be posted on the district's website.

The system is identified as Parent Link. In the event of an emergency, administration will provide information to parents and guardians utilizing this system. Contact information (cell phone numbers, phone numbers, etc.) may be updated by contacting your child's school building main office.

<b>Bedford High School</b>	Main Office: (440) 439-4848
